

Figure 1 shows two 5x5 grids illustrating the construction of the 10x10 grid. The left grid is a 5x5 grid with rows labeled 01, 06, 11, 16, and 21, and columns labeled 22, 23, 24, and 25. The right grid is a 5x5 grid with rows labeled 1, 2, 3, 4, and 5, and columns labeled 1, 2, 3, 4, and 5. The grids show the placement of numbers and the resulting 10x10 grid.
